Who are BFCCT?

Blackpool FC Community Trust (BFCCT) is the official charity of Blackpool FC, based at Bloomfield Road Stadium. Working with residents as young as two years old up to adults in the later stages of life, Blackpool FC Community Trust provide a diverse range of programmes to increase social inclusion opportunities; improve physical fitness, health, and education; and lessen involvement in anti-social behaviour.

Many of the initiatives we deliver are directly funded through partner organisations and grant-awarding bodies. Some of these include The Premier League; the EFL Trust; The PFA; Sport England; Big Lottery; The Football Foundation; NHS Blackpool CCG and Blackpool Council to name a few. BFCCT constantly evolves to support local need and by linking with local partners we can increase our impact on the town.

Working with so many organisations has allowed us to become a vital strategic partner in activity provision across Blackpool and the Fylde Coast. In addition to the wealth of programmes out in the community and local schools, BFCCT provide several education opportunities on site. These include an alternative to main-stream schooling for Year 10 and 11 students; Traineeships for those not currently in work or education; as well as full-time education offers as part of Blackpool FC Sports College. Studying at Blackpool FC Sports College gives students the unique opportunity to learn within the largest sports organisation in Blackpool. This means students can speak to, and gain experience from, professionals currently working in the sport, fitness, and leisure sector.

In recent years, the Community Trust has grown into a well-established organisation, providing something for everybody, that every Blackpool FC fan and resident should be involved with and very proud of. Last season we were awarded with Community Club of the Season at the Northwest Football Awards as well being crowned Regional Community Club of the Season at the EFL Awards.

Emerging Talent Centre

Blackpool FC Community Trust have been granted a three year licence to run an FA Girls' Emerging Talent Centre from 2022-2025. This license enables us to deliver an elite girls' football programme, enhancing girls' football provision on the Fylde Coast until July 2025.

The programme is designed to be a central hub for local talented female players from Blackpool, Fylde and the surrounding areas and will work in partnership with grassroots clubs to ensure the offer is beneficial to grassroots players. The Emerging Talent Centre will work with grassroots clubs, schools and local coaches to identify talented female players for this elite training experience.

The Trust plan to offer a comprehensive approach to player development, giving all girls selected access to a high quality training programme, strength and conditioning coaches, access to onsite physiotherapist, nutritional advice and health and wellbeing support. This programme will be offered free to all girls attending enabling us to remove any financial burden often faced when trying to access elite level training. Groups will also be invited to play in competitive games against other ETC programmes.
